

# **NEW “PAPERLESS” TRANSFER in RU & PΦ**

**The presentation by Mariya Malysheva, TCI  
Tbilisi, September 2016**

## MAIN GOALS AND OBJECTIVES:

- to make .RU and .PΦ more competitive
- to establish the “paperless” procedures in the Rules
- to harmonize the procedures used in national and generic TLDs
- to speed up the transfer of domain names
- to make it safer and more reliable

- simultaneous change of registrar and registrant is prohibited
- registrar-recipient may charge a fee for the transfer
- there are no renewals associated with transfers domain names from one registrar to another

# PROBLEMS

- ◆ not all registrars are ready for the new transfer procedure
- ◆ the new transfer has not removed the need for execution of documents
